## **SEASON 2009 BEGINS!**

Wow, what a great day Sunday, April 19 2009 turned out to be! The Montmorency Junior Football Club kicked off the 2009 NFL season in fine fashion. We had some great on field results and the day culminated with a fantastic happy hour at the clubrooms. Thanks once again to every player and family for choosing to make Montmorency their club. Judging by the smiles and camaraderie displayed on Sunday it is a wise choice!

The committee is to be highly commended. The transition from pre season to round 1 is always huge. To be responsible for fielding 13 teams in junior football is a huge responsibility.

On top of this is the sheer weight of time absorbed in logistical administration and conduct. Most of the committee commenced their day at 7am and it did not conclude until after happy hour clean up.

Please remember that the first 4 rounds of the season are classified as grading games. This is a recent reform by the Northern Football League and is strongly supported by Montmorency. It ensures that all matches are as evenly contested as possible. Please keep a close eye on the NFL website to check for changes to the fixture as the season gets underway. The Under 17 games this week are still to be finalised 100% so please check [www.nfl.org.au](http://www.nfl.org.au) regularly for the final details.

## **ROUND 2 AFTER MATCH (HAPPY HOUR)-SUNDAY APRIL 26 2009**

Last weeks happy hour can only be described as FANTASTIC! Thanks to everyone who came down to the rooms on Sunday nights. The organization was excellent and the wood fired Pizza's were terrific and a great change from the normal staple of pies, hot dogs etc. The social committee have done an outstanding job in 2009. This is clearly evident from the volume of people in attendance and the great feeling around the club. Very well done to everybody on the social committee, keep up the good work.

As a special round 2 treat we have arranged a gourmet BBQ to cater for this weeks happy hour. The reputation of the cook is excellent! It will be a similar setup to last week. He does Deluxe burgers, gourmet and ordinary sausages in bread or rolls, with onions, bacon, cheese, extra toppings etc

We once again want to see everybody down the club this Sunday night from 6PM to 8PM. If you attended last week I am sure you will be back. If you were not there last Sunday make sure you get down there this week and be part of the fun! Please feel free to bring along other siblings, Grandparents, cousins, girlfriends, neighbours, etc for our first happy hour for the season

This week the hosts for the night are the mighty Under 10's. It will be a great night for them as the "Whites" are playing their first match for this season this week and the "Blacks" are looking to put their first score on the board in season 2009.

### **CLEANLINESS OF ROOMS AND GROUNDS**

Montmorency takes pride in being a responsible "tenant" of the rooms and grounds we use. We need to ensure we respect our co tenants at both the top and bottom clubrooms in addition to both playing fields and their surrounds. Please ensure that external rubbish is placed in the bins and that the rooms are kept neat and tidy.

---

### **MONTMORENCY SENIOR FOOTBALL CLUB NEWS**

#### **ANZAC DAY AT PARA RD**

This Saturday night, (ANZAC day) is the inaugural NFL senior night match at Para Rd. It is a rematch of last season's gripping Grand Final between Monty and Heidelberg. The senior game commences at 7.10pm and will be preceded by the national anthem, the last post and a minutes silence in recognition of ANZAC day. We ask that every Monty supporter is in attendance for one of the biggest matches in Australian suburban football. Come along and support the mighty Monty boys as they look to repeat last year's strong home victory over the Tigers.

#### **THURSDAY NIGHTS MEALS AT THE CLUBROOMS**

The club is now able to offer a high quality meal at the clubrooms every Thursday night in season 2009. At last Thursday's season launch Mudd Café provided a meal commensurate with any quality restaurant. It was excellent. Please make an effort to get down to the rooms on a Thursday night during the season and sample the fine hospitality on offer, you will not be disappointed.

---

### **MATCH DAY LOGISTICS OF A JUNIOR FOOTBALL CLUB**

Thanks to everyone who made a contribution on match day. The feedback from the team managers was quite strong and positive. Good stuff lets keep it up for the whole season. The top oval Coaches box for the home team will be on the wing with the away coach's box in front of the rooms. Last week we did not have access to the new home coach's box. Thanks to Lower Plenty Football Club for access to this new facility which was fully funded by LPFC. (Note the electronic scoreboard is not for MJFC use at this stage.)

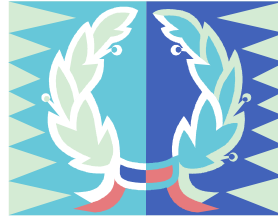

This year will be distributing the newsletter via email each week. The format will be similar to last year with a detailed overview of each team's most recent match. In addition we will keep the MJFC community up to date with all relevant news and events. On match day there will be a limited number of copies available from the canteen.

I strongly encourage anyone who is not currently on the mailing list or has information appropriate for the newsletter to email me at [peterbgray99@yahoo.com](mailto:peterbgray99@yahoo.com). Please encourage relations, friends, neighbours, former players or general supporters to get on the emailing list for the newsletter.

---

## **MILESTONES IN ROUND 1**

Round 1 2009 saw no less than 44 players make their debut for Montmorency. These players can now proudly stand beside the many many other players who have worn the Black and White with such distinction .Congratulations to the following players;

**RYAN OFFER**

**MJFC AUSKICK**

The Montmorency Auskick Registration Day & Clinic commenced on Saturday 18th April, 2009 at Simms Rd from 8:30am - 10:00am. It was outstanding success with over 100 participants on the first morning! It was just simply fantastic to see so many young children enjoying the thrill of participating in organized sport, many for the first time in their lives. Thank you to every child and family for choosing to do Auskick at Montmorency, it is very much appreciated. Special thanks to all the volunteers who helped on the day, especially the ladies from the MJFC who helped out with the shop. Congratulations to everyone involved with the launch, it was fantastic. If you are a parent of an Auskick player please make sure that you are an active supporter of the program.

For any additional details please contact the Coordinator Michelle McBean on 0419388884.

The MJFC Auskick program is a vital cog in the Montmorency football network. We wish all Auskick players in 2009 all the best for a fun filled 2009 season.

**MERCHANDISE**

Please note that we do not have any NFL sox yet. We hope that they arrive next week! Players may continue to play in non branded dark sox until further notice.

There is a great range of products available and it would be terrific to see all our players and supporters proudly displaying the club colours each match day this year. To order merchandise simply contact Mark Cleary with your requirements and it will be available about 7 days later.

Please note all players need a pair of NFL labeled black shorts, white shorts and socks. The club provides jumpers which must be returned at the end of the season.

## SPONSORSHIP FOR 2009

We would be very grateful to anyone wishing to make a contribution. The MJFC will reciprocate in kind and undertake to give increased exposure and recognition to all commercial supporters of the club.

Of course we would very warmly receive any cash donations but there are many other ways to assist the club. Donations of goods (i.e. for a raffle), supplying consumables that the club requires or giving discounts for your products or services to people within the club community would be welcomed enthusiastically.

We know that not everybody has the time to do as much as they would like around the club but sponsorship contributions are a very practical manner in how to show your support

**We would also like to ask all people within the MJFC to reciprocate the support of our sponsors. Please give strong consideration to using the services and products of our outstanding group of sponsors.**

## **2009 HAPPY HOUR SCHEDULE**

In 2009 we have a very strong program in place for the Sunday night happy hours. All functions will be at the bottom oval unless otherwise advised. The time schedule is 6pm until approximately 8pm. All children present on the night go into the free raffle. There will also be an excellent raffle with strong prizes for the adults.

Each Age group will have one night of hosting the happy hour. When it is the turn of your age group please make an extra effort to be present and to assist with the logistics of the evening. The schedule for 2009 is

**Sunday April 26**

---

---

## **ROUND 1 SUMMARY**

### **UNDER 9'S**

Both teams had a terrific first match. The numbers in both teams are outstanding! By all reports the parental support for the players and the coaching staff was extremely strong, well done to all involved. This week sees a

Club “derby” with the “Whites” the home team to the “Blacks” at the bottom oval. Good luck to all involved in this weeks matches, hope you all have a lot of fun!

---

### **UNDER 10'S**

By coincidence both the “Blacks” and the “Whites” had the same score this week. The Blacks came up against a very powerful and experienced Greensborough team who played an excellent game. To the credit of the Monty players they fought the game right out to the end without dropping their heads. After the game the Monty players were quick to shake hands and to Greensborough's credit they were quite humble in defeat. The Whites play their first game for the season this week at home against Panton Hill. Good luck to the all those players who are making their debut for the Club.

---

### **UNDER 11'S**

Greensborough continued their strong showing on the top oval on Sunday morning with a strong performance in the Under 11's. They are the reigning premiers and have a very excellent side. The Monty boys showed some glimpse of what they can produce and no doubt will improve as the season progresses. The Under 11 boys look to open their account with a strong showing this week at Eltham.

---

### **UNDER 12'S**

The Blacks led at quarter time before being over run by Greensborough at Beale Reserve. The coach has asked for a four quarter effort this week at home this week against Eltham. The Whites returned from the longest road trip in the NFL with four points. The boys put together a very strong team effort a kicked the year off with a good result. This weeks home game against the “Pingers” will be a tougher test but I am sure the players will be able to produce another strong performance.

---

### **UNDER 13'S**

Outstanding games by both the Blacks and the Whites in the first week of the season. Very well done to both teams on two strong home victories. A special mention must go to Martin Rodger who was superb in his 50<sup>th</sup> game. Both teams were bolstered by excellent games from players making their debut for the club. The Blacks host Hurstbridge this week while the Whites travel to Wallan.

---

### **UNDER 14'S**

A competitive home performance was highlighted by Ryan Offer playing a blinder in his 100<sup>th</sup> game. Mont was less than a goal down at half time before Mill Park ran away with the match. This week we face a tough away match to Research and a four quarter performance is needed from all players.

---

### **UNDER 15'S**

A very competitive display from a fine group of boys. This team is very committed and gives 100% every week. It is great to see 3 former junior players, now with the seniors, coaching this team. Best wishes to the coaches, namely Tom Rubira, Luke Chiocci & Ash Broadway. The whole club is behind you and thankful of your commitment to the “Black and White” cause.

---

### **UNDER 17'S**

Both teams pleased their coaches with excellent first up efforts. Well done to both the Blacks and Whites. It was fantastic to see Brett Woodhouse make such a great return to the game after a prolonged injury absence. It really game the whole team a great lift. Both teams are at home this week (at time of writing but please check [www.nfl.org.au](http://www.nfl.org.au)) and are looking to continue the great start to the season. The Blacks host Research at the bottom oval while the Whites take on Northcote on the top oval.
